

2003 FLEETWOOD TIOGA 26Q CLASS C MOTORHOME

# Ford E450 V10 camper with queen-bed floorplan.

**\$11,900**  
OBO

A documented, compact Class C RV with title in hand, practical rear queen-bed layout, roomy cabover bed, dinette, lounge chair, full galley, enclosed bathroom, wardrobe storage, and large exterior storage bay. We are the second owners and bought it directly from the original owner in 2011. Our family has enjoyed it for years, and now we're ready to pass it on to the next owners.

Generator	Onan 4.0 kW MicroQuiet, currently not starting
Inspection	Passed December 2025
Sale status	Title in hand, private as-is sale

HIGHLIGHTS

Inside, you'll find working A/C, microwave, sink, toilet, outlets, solid cabinets, good upholstery, an excellent table, an oven that works with propane on and the pilot lit, and a refrigerator that performs well on electric power. Recent service highlights include complete brake and brake-line replacement, differential-cover and fuel-line replacement, full van A/C service in 2025 including new refrigerant lines, a passed December 2025 inspection, and prior roof-leak repairs.

KNOWN CONDITION NOTES

If you're comfortable evaluating an older RV, you'll want to review the known items carefully: suspected propane work, a non-starting generator, prior roof leak history with some water damage, cab-over separation or air-gap history, a blocked shower line, a missing hubcap, aged carpet, and a few smaller cosmetic or mechanical checks.
